

# Roller Banner

Trimmed size is 2150mm x 850mm  
Visible Area is 2000mm x 850mm  
Bleed/Artboard size is 2156mm x 856mm

## Bleed Area

The Bleed area is trimmed away on your banner at the top and sides, with the bottom 150mm going into the roller mechanism. Please ensure backgrounds, images & colour extend into this area to guarantee a perfect finish!

## Trim Edge

This is where we will trim your design to the finished size.

## Safe Area

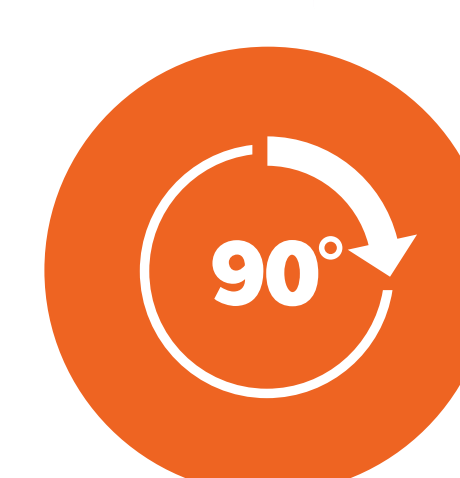

It is best to keep important text and logos in from the trim edge. Anything less than 20mm is not recommended.

Export or save your file as a high quality PDF print file with crop/trim marks.

File > Save As > Adobe PDF  
Save > Adobe PDF preset > High quality print  
Marks & Bleeds > Trim Marks >  
Use document bleed settings > Save PDF
