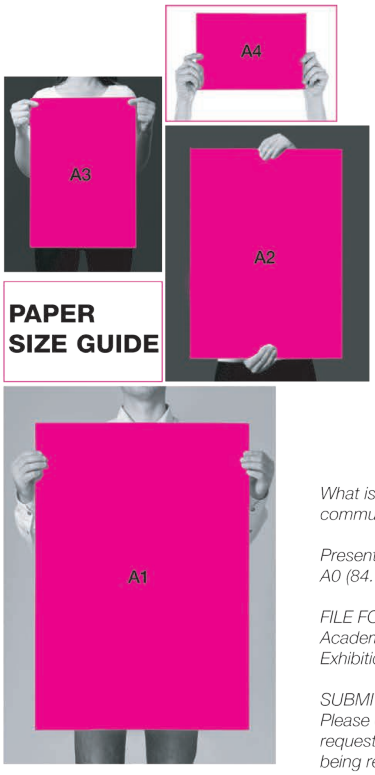
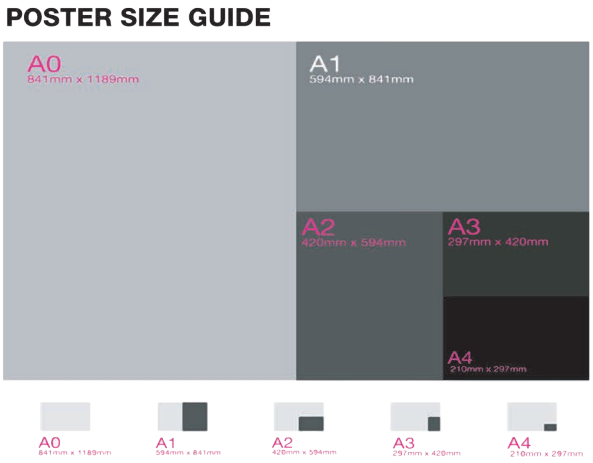
A2	£10.00	**custom**	P.O.A

Posters are printed on either Satin photobase 190gsm paper or Fabric material.





What is a poster? - An introduction to your research and basis for questions. A large document communicating research. Shown in exhibition spaces and conference halls.

Presenters are normally given strict guidelines
A0 (84.1 x 118.9cm), A1(59.4 x 84.1cm), A2 (59.4 x 42cm)

FILE FORMAT
Academic Posters - please save as PDF (In some circumatances we will accept powerpoint files.)
Exhibition Large format prints - accepted formats include PDF, TIFF and JPEG.

SUBMITTING PRINTS
Please ensure that your poster or print has been sized correctly and matches the format you have requested for print. If we find the files are not submitted correctly , this will ultimately delay your prints being ready on time.

Pull up Banner

Trimmed size is 2150mm x 850mm
Visible Area is 2000mm x 850mm
Bleed/Artboard size is 2156mm x 856mm

Bleed Area The Bleed area is trimmed away on your banner at the top and sides, with the bottom 150mm going into the roller mechanism. Please ensure backgrounds, images & colour extend into this area to guarantee a perfect finish!

Trim Edge This is where we will trim your design to the finished size.

Safe Area It is best to keep important text and logos in from the trim edge. Anything less than 20mm is not recommended.

Export or save your file as a high quality PDF print file with crop/trim marks.

File > Save As > Adobe PDF
Save > Adobe PDF preset > High quality print

Our fantastic pull up banners are a great way to promote your business.
They are printed in full colour and come in a black carry bag for easy transportation.
They have a light weight aluminum base with slide out feet for stability and they are simple to assemble.

Our banners are printed on high quality 190 micron no curl white polyester vinyl that is light blocking and silver backed.

You can upload your design or we can produce one for you for a small design charge.

If you already have a base we can print replacement banners and refit for you.

A5	£4.50
A4	£6.50
A3	£9.50
A2	£12.50
A1	£15.00
A0	£20.00

Includes scan to customer USB only.

Fine art scanning is where we invite you the artist to visit our Inkwell print room in the heart of Historic Coventry where we can disuss the high quality scanning and replication of your art pieces.

When visiting, we will disuss with you what your requirements are and what your vision is for your artwork. Whether you are looking to make a run of Giclée prints / greetings cards for sale or a one off piece for yourself.

We will firstly scan a high quality TIFF file of the original and then produce a hard copy proof print for you to view.

We are happy to discuss discounts for multiple artworks submitted at any one time.

Window mounts

What are window mounts?

These standard size Small, Medium, Large and Square mounts make creating stunning presentations of your artwork a straight forward process, for yourself and for your customers.

If you are reproducing Giclee or Premium prints for sale at: Art Events, Via your social network sites (such as Instagram) or via your own Artist website and online art shop (such as Etsy); these mounts give a professional finish to your work and are easy for your customers to buy standard frame sizes to suit their taste.

All mounts, back board and bags are acid free and Archival quality to meet the standard of the Archival Giclée (or premium papers) that we print on.
